

Dave and Barb Anderson have been singing the gospel in America and around the world since they were married in June, 1975.

Their ministry has brought them from a church in an Eskimo village on the Arctic Circle to a roof-top concert on a floating hotel off the Saudi Arabia coast; from a country church in Kansas to a country church in Papua New Guinea; from the American church in Paris, France (built by the Rockefeller family) to a humble Christian gathering place in a village in Nepal; from rural communities in Western Australia to city churches in Dallas, Texas.

Over the thirty-three years of singing together, Dave and Barb have proclaimed the Gospel of Jesus Christ through hymns, children's songs, new and old gospel songs, and contemporary songs of praise and worship.

"Tried and True" contains familiar songs requested by Dave and Barb's ministry friends. The message of these songs is "Tried and True". The songs themselves are "Tried and True".
